Public Call for Action

Commemorating the 4th Annual World Elder Abuse Awareness Day June 15, 2009

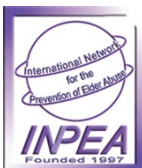

“My World... Your World... Our World - Free of Elder Abuse”

“In SFY 2008, the Ohio Department of Job and Family Services recorded over 16,000 incidents of adult abuse, neglect and/or exploitation.”

If you don't take a stand, who will?

Celebrate *Elder Abuse Awareness Day* by supporting increased funds for APS in the ODJFS budget for 2010 and 2011. Limited State dollars for **Adult Protective Services** are hurting Ohio's growing elderly population and placing more seniors at risk. We urge more funding for this *critically needed* protective program. Ohio's elders, our parents, grandparents and friends, deserve to be honored and protected.

A message from the **OHIO COALITION FOR ADULT PROTECTIVE SERVICES**
Promoting aging with joy and eliminating aging in fear.

The Ohio Coalition for Adult Protective Services is a statewide coalition that strives to enhance the provision of services to adults at risk of abuse, neglect, and exploitation through education and advocacy.
